"One Square is Fair"

What a wonderful theme for the 1984-1985 square dance season! Why this theme? The number of clubs participating in the Association dances has dwindled, even though we have had excellent callers and cuers. Association clubs are also experiencing a drop in the attendance at their dances.

The phrase was coined in order that each club would send at least one (1) square to Association dances. We believe this is "Fair." Why not do the same for inter-club visitations, by having clubs visiting each other during the year with at least one (1) square. This is "Fair."

Now that we have raised monies for a worthy cause, let's concentrate on increasing the dancer load by helping each other.

Our Dance for Liberty certainly was a Gala Affair. Dancers came from everywhere. 2 busloads from Massaschusetts, 1 from Crestwood Village, by trailer and motor homes, all contributing to putting our attendance over 1,000. We are proud and happy that so many dancers responded to our Dance for Liberty. A sum of over $4,000 was donated to the restoration fund. We thank you all - each and every one!

L U S T was a success as those attending gained valuable information which will enable them to achieve the ultimate in club management and development. The panelists did an excellent job and we thank them for their fine educational program.

The Mini-Festival - November 11. We hope to see you all there.

To become a NNJSDA PATRON, one must dance with 26 member clubs on their regular dance night and with their regular caller (if they have one). There is NO time limit!!! Good thing too, because AL & JOAN LAWRENCE recently received their PATRON Dangles after 11 years! Pictured with them in the left pix up top are the Mooneys who were NNJ presidents when Al & Joan began their travelling and the Hills our current presidents. Incidentally FRED & KATHRYN HILL also received their Patrons dangles.....as well as GENE & JEAN KOENIG (top right pix).

This has been a sweet/sour year. We hate to lose DOROTHY/PAUL PULLMAN who've been with G/S for umpteen years as Northern Area reporter, but retirement will do that to us all. We feel fortunate to have had Catherine Suessmann of Hillsdale volunteer to help.... and for our other two area reporters to continue on with their jobs. This is especially true as our Advertising Editors, Art/Helen Rellinger, are now in the groove & will continue. Our distribution folks, Ellen/Bob Hansen, are always there when we need them to count, tie, etc & have it down to a science. We welcomed LON BIESZARD who helped immeasureably with distribution to clubs & mourn his untimely death. We welcomed volunteers Thelma/Bill Ford who are now doing our half tones! How great to be able to use pix again! Gaining an Associate Editor COUPLE was the bright spot in our year. To have someone else to share the 100 plus hours needed to put G/S to bed makes it ever so much easier. What a way to begin our 20th year as Editors!!!

The NNJSDA BLOOD PROGRAM, recently established, already has 2 major accomplishments to its credit. On a hot Memorial Day Weekend, more than 20 dancers showed up in Edison to become the first donors for our new blood bank. That, in itself, should make us feel good. However, a few weeks before our first drive had taken place, Robbie Shapiro from Lakeland Squares, had surgery and needed to replace four units of blood. Even though we had not yet donated our first pint of blood, we were able to take care of the replacement. This one incident dramatizes the importance of having a blood bank for our members and families.

Since the holidays are when blood supplies are at their lowest, we shall schedule our donor days on holiday weekends. All details are not squared away, but it is expected that the next date will be Thanksgiving weekend, probably in the Morristown area. The clubs that will be involved as with the clubs which donated Memorial Day, will be scheduled for those weekends each year. A third location will be established soon.

Meanwhile, if you want to give blood, but find the date and location inconvenient, please contact our Blood Bank Chairman, Burt/Sylvia Caplan 148 Cindy Street, Old Bridge,NJ 08857 (201-679-8079). If you or members of your immediate family need to replace blood, please contact the Caplans.

Thanks to members of Country Promenaders. M T Squares, Dancing Squares, Y Squares, Rutgers Promenaders & Merri-Eights for their support of our first blood drive.

BADGES-DANGLES-ROVERS

All those names typed above are our area FLOOR SPOTTERS who signed in. THANK YOU one and all.....To Donna/Bill Anderson who not only brought the NNJ displays to Baltimore and then took time to help set it up...and to those nameless dancers who helped keep our display tables in the Showcase of Ideas well stocked with Grand Square and other "take home" items - we certainly appreciated your help.

374 folks, from 26 states, stopped to sign our guest book. Many former Jerseyites (as far back as Ramapo Class of '73) left messages - including NNJ's past pres. George/Phyllis Cowan (72-73) & Frank/Nan Habersberger (79-80). The Markos who graduated with Reelers reminded all to look them up when the NSDC is in Houston in '87.

With Baltimore a wonderful memory, many are now thinking about Birmingham, Alabama, June 27,28,29-1985, for the 34th NSDC. Perhaps you are among the 150 NJ;61 NY; 166 PA who have already registered. If not, why not??? Registration forms will be given to all delegates in September.

Campers take note - they have 2,000 spaces for self contained campers at the AL state fairgrounds (500 with sewage hookups). Shuttle buses will be available to Civic Center. Another 1000+ spaces are available at nearby commercial campgrounds and state parks.

BETTY/FRANK OLIER, our hard-working Statue of Liberty Dance Chairman, are the first to say they never could have had such a tremendously successful dance without the help of so many people - both in and outside the NNJ area.

In naming names, one always runs the risk of omitting someone, but as we think back to the fantastic response, there are some folks who just deserve special mention - to the callers & cuers who not only donated their time & talents but then even donated BACK their travel money, as well as BUYING tickets to get in; to Bill Heyman who shared & set up his sound equipment for the occasion; to the Andersons who donated so much food & tables; to the Aquino's & their committee (esp. John Huettemann for his van of ice, containers & tables; to the Bolins,Burt Caplan & Fred Hill who directed traffic in the hot sun....the list could go on and on...as do the donations from the sale of those SOS buttons!

The park attendants were floored at how little clean up was left to do saying usually after a culture group we have a week of Clean Up; the Park Supt. was so amazed at the turn out & the beauty of the dance he asked for some exhibition groups for other occasions. YES, it was a fantastic day-and we all THANK YOU for your help in making it happen. For your info, over $4,000 has been donated to the restoration fund...with more coming in.

2 & 4 Fridays — *Carl Kumpf School, Mildred Terrace*

Welcome to a new year of fun dancing with Y Squares. We've had a good summer and are looking forward to a great year, with many new faces and most of the old ones. One of our highlights of the summer was meeting so many of our Y Squares members and other dancers from North Jersey at the Nationals in Baltimore. One would think it would be difficult to spot a familiar face among almost 24,000, but they were everywhere. Even more exciting was meeting so many new friends from all over the U.S. and a number of foreign countries. It was a great experience, as was the welcome received from the "locals". Of course, the beds in the Towson State dorms were something else! Good thing we arrived tired every night...See you on the dance floor.

WESTERN WHEELERS --- Westwood, NJ (MS/+ Wk; +)
2nd Wed; (MS/+ WK); 4th Sat. (+) Methodist Church, Kindermack Rd. & Bergen

Western Wheelers is moving - back to Westwood where we originally danced- and forward to the '84-'85 season with an exciting new Wed. format devised by incoming officers led by presidents Leo and Rose Rogers. Our new location is in the United Methodist Church, corner of Kindermack Rd. & Bergen St., Westwood. On every second Wednesday Bob Robinson is to call a program of tips which combine MS figures, workshop of plus figures, and dancing plus figures learned. There will be no rounds on Wed. Fourth Saturdays will feature an interesting variety of callers presenting an all plus program. Rounds will be cued by the Shearwoods.

Our summer dances at Petruska Park were a great success. We held an Open House on the final evening for non-dancers who are interested in learning about square dancing. Many showed an interest in joining classes beginning in Sept. & Oct. We thank all the members and dancers who sup ported our summer program. During the summer we have also sponsored demonstrations at the Westwood Sidewalk Sale and the Farm Festival at King's Supermarket. Another demonstration is scheduled at the Library in the Township of Washington in connection with S/D Month. Our applause to Callers Andy Woerner and Bob Robinson and the dancers who braved the heat to participate. Our goal this summer was to generate interest in S/Ding among the general public and also to present opportunities for club level dancers to continue growing in skills. Credit goes to our outgoing presidents, Norma Vent and Jim Palmer, who laid the groundwork for these programs. Our club has come a long way in growth and activity and enthusiasm. Stand up, Jim and Norma, and take a bow!

WEST MILFORD FLUTTERWHEELS --- Newfoundland, NJ (MS/+)

1 & 3 Fridays — Paradise Knoll School, Paradise Road

West Milford ended it's season with a delicious buffet supper dance, at which time, election of officers were held. We are happy to report that Glenn/Jackie Stickle will again be serving us a Pres.; Bob/June Heiney will continue as VP; Marty/Jack Hascup will be Sec.; and Harold/Marie Hansen as Treas. We are especially glad to welcome Charlie/Billie Jean Schmidt as our all important refreshment committee chairmen.

West Milford is really getting around. Our dancers at the convention in Baltimore, were impressed with the very large turn out by New Jersey. The club performed a demo at Bubbling Spring Lake to help West Milford celebrate it's big 150th Anniversary. We also danced at the Statue of Liberty and did a benefit dance for a local child suffering from a brain illness. We hope that the many new friends made at the Barn Dance held at the Newfoundland Fire House and at the demo dancing done at the Firemen's Fair during the week of Labor Day, will be joining us in class this September. We look forward to an exciting '84-'85 season and invite you to come dance with us...Our beginners' class starts on the 3rd Monday at Hillcrest from 7:30 - 9:00 PM and will be followed by Advance 1 classes at 9:00-10:30.

1 & 3 Thursdays — Mansfield Township School, RT 57

Our new officers are eager to make this another great dancing year. We have had a busy summer. We had a club stall at a local flea market and this helped our club to remain solvent. Our dancing skills were kept polished at "Summer Sounds" workshops, sponsored in conjunction with Kittatinny Rangers and Leisure Squares. A number of us danced at Liberty Park and felt it was just fantastic to dance against that New York skyline background. We gave demonstrations at Glenlora nursing home and also at the Tri-County Fair. Our annual picnic was a great success and we used this opportunity to hold a general club meeting too. Please note that our new dance nights are on first and third Thursdays. We would love to see you. (AD on page 58) Kathie Mulraney (201) 852-2037

Many TT members are also members of Happy Squares, a group that for seven years has been spending their daytime hours giving S/D demos at nursing homes, senior citizen groups, etc. The Happy Squares hosted a farewell party for Dorothy/Paul Pullman in June - a gala sendoff in their move to Florida. Health and happiness to the Pullmans from all their friends...TT members did the new "splash" step at the Cresskill Memorial Day parade. Lon Bieszard, the Marcells, Gorabs, LeFebvres, Dot Pullman, Art Rellinger, the Meyers, and the Tirrells marched merrilly in the pelting rain, the third year in a row of inclement weather. Perhaps next year we'll be able to dance! Nice to see John/Emily Edgar come all the way from Florida to dance with us in May. Here's hoping You will visit with us on September 14th when we kick off the new season. Happy Twirling!.....Special Note: It has come to our attention that Lon Bieszard died suddenly last month. Our Condolences to Lon's family. We'll all miss him.

Last June Happy Squares sponsored a surprise Farewell party for DOROTHY/PAUL PULLMAN. Each person brought a pix of themselves which was placed in a photo spindle for their memory book. The Pullmans have been staunch supporters of S/D & R/D for years and their many behind the scenes efforts will be missed by many clubs. We will all miss them and wish them good health and many happy miles of travelling in retirement....but come back!

2nd Friday *Baptist Church, 563 Piermont Road*

It was a sultry June night - the hottest of the year, so far, the moon was shining overhead and the lights were twinkling across the Hudson River. The scene was the Alpine Boat Basin, where 150 dancers, undaunted by the heat and humidity, crowded the pavilion to enjoy the calling of Peter Richardson, the British caller from Orlando, FL. After everyone understood what he meant by "thee-aids" (couples 1 & 3) and "fluh-uh-wheel," it was the greatest dance of our season. And what a way to end a season! ! There were recent graduates and seasoned veterans, all enjoying a spectacular dance. We hope to repeat it next year.

As the new season starts, we are back at the same hall, but with some changes in our line-up of callers. (See our ad.) We are looking forward to a great season, and hope to see many of last May's graduates rarin' to get back on the floor to polish up their skills. If you didn't get in too much summer dancing, don't despair. Come dance with us and it will all come back quickly. In the past, some people have said to us, "For a long time, we've been meaning to come and dance with you." If you are one of these, don't put it off any longer. You've missed the ice cream social; don't miss the Hallowe'en party.

SUSSEX SPINNERS --- Sparta, NJ (+)

2 & 4 Fridays *Alpine School, Andover Road*

Summer was filled with families, friends, vacations, and for some of us, square dancing. We were visiting clubs around the U.S., northern NJ, PA, and at Liberty State Park under the watchful eye of the Great Lady. This was a splendid occasion and for a great cause. Our demo at the Sussex Farm and Horse Show was successful as well as fun.

The good thoughts about fall is that we can look forward to our Sussex Spinners dances and classes. We can meet again with our dancing friends and enjoy meeting many new ones. Committees have been arranged for the great events by Carl and Helen Ostertag, our presidents, and it looks like a year full of enjoyment. VP Max and Josephine Hartman have the fall + classes ready to spin. Once again the workshops will be led by John Kaltenthaler. See our ad for more info...We welcome our new round dance cuers Al/Gail Spinks. We are glad they are going to be part of our Sussex family. Remember recent graduates we welcome you and the best way to dance well is to keep dancing. Can't wait to see ya!

Last June Staten Square Set presented to GENE & GRACE LUCARINI the 1st "Golden Angel" award - A scrimshaw piece with the imprint of a Golden Angel on it. A listing of their many and varied activities dealing with square dancing followed. It included: dancing since 1959; 7th presidents of NNJSDA;officers of SSS; chairing SSS "Big Top Weekend" for 14 years; chairing over 50 dances and served on over 100 committees; started & still edit club newspaper "Stat'n Chat'r"; ran lessons for SSS for 24 consecutive years....and on it goes. (They never mentioned how they were responsible for the first mystery riders from SSS...& special dangles). This energetic couple continues to be a guiding light for all SSS officers as well as lending a helping hand to graduates. Wish they were twins!!!

Now that the summer is over, I hope everyone enjoyed it. The weather was what summer weather should be in spite of the few thunder showers... The dance at Liberty Island was a huge success. 118 squares were there to dance for "The Lady". Thanks to Pat/Jo Danna and a very enthusiastic committee we ended our dancing season with a fun filled installation dinner dance. Everyone went home on a natural high along with a potted plant, compliments of the committee...Roger Gauvin did a fine job of installing our new officers for the coming year. Everyone was very impressed. Thank you, Roger. Presidents, Frank/Margaret Birmingham; VP, Tom/Dot O'Brien; Treasurers, Bill/Ruth Hughes; Recording Secretaries, Eileen/Ken Merring; and Corresponding Secretaries, Pat/Jo Danna - GOOD LUCK! You have our full support.

Our Big Top this year was the Biggest Top ever. With Will Larson calling how could you go wrong. Did Will call a good week-end? You bet he did!!! We have a fabulous line up of callers starting in October. We'd love to have you visit us, so get out those dancing shoes and come on down or up. Look for our Ad in this issue. We closed our season in June with a demonstration at Lanfair House nursing home with Bob Robertson calling. It was greatly appreciated by residents and staff alike. July saw a picnic for the graduated class, and its angels, with 25 attending. In August, 75 members attended a club picnic hosted by Nick/Mary LaPlaca. In July, our club, like many others, was shocked by the untimely death of member Lon Bieszard. Lon was at every dance, and his dedication to S/Ding was an inspiration to S/Ders, experienced and class alike. He was irreplacable, and we will miss him...Our members are now out combing the woods, and some residential areas also, we hope, for new members for our class. It's a million to one shot, but maybe, just maybe, we will come up with one with Lon's dedication and spirit.

1 & 3 Sundays — Community House, 242 Main Street

A warm welcome to our Class of '84 and to Graduates everywhere. Our thanks to the outgoing officers for the good job they did last season and good luck to the new crew...The climax of the club's program should have been the Picnic but Mother Nature decided otherwise and rained us out of both our first choice date and the rain date. We'll make up for it next year!

Dave Millar (201) 288-0994

To those dancers who joined the thousands who danced at the Capitol June 27th, our thanks. The beauty of the S/D activity was evident to all who watched. Unfortunately the Public Hearing on Thursday left the dancers with the feeling that they had been shortchanged in the presentation of their case.

Hope everyone had a great summer and danced every chance they got. If you still didn't get enough dancing come on down to College Avenue Gym Annex on the 2nd Tuesday in September for our Hi-Low Dance. Bring all your friends. Admission is free and there will be refreshments. So come have a great time and help us recruit new members. Lessons begin the following Tuesday from 8-10:30...Don't forget our first meeting on Sept. 13 from 8-11 at the Douglass College Student Center! ...I hope everyone had a great time at our picnic at the Log Cabin in August. I know I did...One of our big events for the year is coming up--- The Toys for Tots Dance at the beginning of December. No one should miss it. It's a lot of fun and it's for a great cause. Look for full details later...We had about 5 squares that had a great time at the National Convention in Baltimore.

1 & 3 Fridays — Elementary School, Dover-Chester Road, Rt 513

Our last dance of the season started off with a covered dish supper. We danced all those delicious calories off to the great calls of Joe Landi. Many of our members have not rested during the summer. They met in beautiful Baltimore for the convention -- dancing to many callers, as well as sightseeing. They especially enjoyed the Harbor. Ria did finally find George -- and Wally found Lorraine. We're not sure who was lost, but no one is telling where they were found! A group of us joined many other clubs for the benefit dance at Liberty State Park. Hanover Squares and Ironia Reelers are joining forces this year to sponsor a class. We've already held our Open House at the Ironia School. Come join us anytime. FOLLOW-UP - N J SQUARE DANCE OUTFIT

The Parade of States at the 33rd National S/D Convention at Baltimore was such an impressive and proud sight!!! New Jersey area dancers nearly encompassed the outer perimeter of the Arena floor. Almost all of the approximately 225-250 dancers fashioned the new official green and white NJ S/D outfit. The display was the result of several years of our dancers seeing other states in their own outfits and asking, "Why can't we (NNJ) have an outfit, too?". The outfit came into being after a couple of years of gathering ideas, input, planning & polling dancers. It would have been impossible without the help and encouragement of many dancers behind the scenes. The many favorable & appreciative comments made this venture worth all the effort & hard work involved in making this a reality. This outfit is a State Dress - not just a convention outfit. Kits are now and will be available indefinitely by contacting the couple who spearheaded this whole "Impossible Dream" - ALBERTA & HARRY VANLUVENDER

RAMAPO SQUARES --- Oakland, NJ (A-2; APD)

2 & 4 Saturdays — Heights School, Seminole Avenue

If you haven't been squaring up all summer (since most clubs end their year in May or June) -- or even if you have -- we're telling you to fluff out those petticoats, find the Capezios, match up the Westerns, and polish the belt buckles because come the 4th Sat. in Sept., Ramapo will be launching its 1984-85 season. Good news never sounded better!

We can't wait to welcome you to our computerized A-2 all-position dances, to Rounds with our beloved Peg and Doc Tirrell, to our lively C-1 aftertip. Club caller Todd Fellegy will be alternating with callers of such comparable caliber as Bruce Busch, Anne Redden, and Dave Smith. Our ad has all the particulars.

Plans are in the beginning stages for a possible afternoon and evening covered-dish gala for the first November dance, and for a smashing New Year's Eve with Bruce Busch.

From all reports, Ramapo dancers could be found just about anywhere and everywhere this past summer: In impressive numbers at the National S/D Convention in Baltimore, and at Challenge and Advance festivals up and down the Eastern seaboard into Pennyslvania. Vacations went from the popular resorts in the New York and New England states to as far afield as the British Isles (Allan/Blenda Ball), Paris and environs (Ed Enid Jensen, Bill/Elaine Sweet), Oberammergau in Germany (Ellen/Ed Gallagher), Switzerland and Italy (Nancy Wall/John Waldvogel),the Orient (Al/Gloria Brandt), and Canada (the Tirrells). Can't you just imagine all the conversations that will be interspersed between the squares and rounds when we get together in September. Come and enjoy it all. You'll be glad you did!

2 & 4 Fridays — Community Park School, Witherspoon Street

Somebody said that it couldn't be done,
But he with a chuckle replied
That "Maybe it couldn't," but he would be one
Who wouldn't say so till he tried.
So he buckled right in with the trace of a grin
On his face. If he worried, he hid it.
He started to sing as he tackled the thing
That couldn't be done, and HE DID IT!!

YOU CAN DO IT TOO! YOU CAN DANCE if you try. Come bring friends to our BEGINNERS' SQUARES with Betsy Gotta or BEGINNERS' ROUNDS with Roy Gotta both being offered at the same place and time, the first Wednesday in October at 7:15 at the Community Park School.....Our summer picnic is a delicious memory!!!...A warm welcome to our new members from the "summer passport" program!...We start up in the fall on the 2nd Friday.

OCEAN WAVES ---Graniteville, Staten Island, NY (MS)

2 & 4 Fridays — Methodist Church, 1890 Forest Avenue

After a successful 83-84 season, we are ready for a great 84-85 season of S/Ding. Our Presidents, Jack/Haydee Calderone, have given us a great line-up of callers. All of you new graduates come on out. You should be good dancers after attending the summer dances at Lyndhurst & Iselin. A sad note, Cal Martois, our life member, passed away during the summer break. Our condolences go to Dot, children, and grandchildren. Our Pres. Haydee had a minor operation on her foot. She is recovering nicely, and will be ready for the dancing season. See you all in a square. (AD on page 35) Tut Stark (718) 836-3062

"YOU'VE GOT A FRIEND IN PENNSYLVANIA"

MERRI EIGHTS --- East Brunswick, NJ (+)

1 & 3 Fridays — Dag Hammarskjold Jr. H/S, Rues Lane

It's been a busy summer! Nineteen happy couples went on a Mystery Bus Ride to Village Square Hall in Downingtown, PA, where they were treated to a Strawberry Festival hosted by the Thruway Squares. We then "Sailed into Summer" at our nautically themed Dinner Dance held in Yardville with Captains Ken/Cathy Watts and 128 crew in attendance. Glenn Cooke and Nancy Nosker navigated us into a night of smooth dancing. At this fantastic affair, our new 1984-85 officers and board members were installed. They are: President - Burt/Sylvia Caplan; 1st VP - George/Elsie Ahrend; 2nd VP - Chad/Jane Bubenik; 3rd VP - Mary Ann Williams/Richard Torstrick; Secretary - Bill/Mary Ellen Ludeking; Treasurer - Ed/Bonnie Silverberg; Ass't Treasurer - Ursala Santoro/Phil Bonczek; Delegate - Jim/Pat Campbell; Alt. Delegate/Hospitality - Rich/Alma Doran; Editor/Historian - Barry/Evelyn Williams; Class Coordinators - Carl/Shari Chmielewski and William/Mildred Haug; Advisors - John/Carol McNiece and Barry/Evelyn Williams.

Then off to the Baltimore Convention went at least 25 Merri Eighters who all reported having a wonderful time. Without pausing for breath, an uncounted number danced for the Statue of Liberty followed by demos at the Middlesex County Fair (for our 21st year!) and at the Brunswick Square Mall for 4 days...After that we paused for breath before starting our classes on the 2nd Thursday in September at Churchill Jr. HS in East Brunswick. If anyone has friends in the East Brunswick area who wish to take lessons, please tell them to give us a call.

M.T. SQUARES --- Woodbridge, NJ (+)

1 & 3 Saturdays — Mary Knoll Road School, Menlo Park Terrace

The biggest happening this year, for those who attended, had to be Baltimore-In-84. It certainly was for this couple. The setting of the Inner Harbor, could not have been more appropriate to the blending of people and place. There were four M.T. Square couples there to help make the New Jersey showing at the parade of the states a most impressive one. There were so many dancers that we recognized from NJ, NY, and PA, we felt as though we had not really left home. The only complaint I can think of is that the convention lasted only three days. Back home is where the action is now tho. By the time this is being read, we will have had our first dance with John Kaltenthaler, calling. Close on the heels of this, the dust of our first barn dance to attract new dancers should just be settling.

Our club is looking forward to another very active year. We are looking ahead to raiding other clubs or just visiting if a raid does not work out and we want very much to play host again to many of you. We plan some special nights for your pleasure such as pie nights and the like. Most folks, especially long haulers, appreciate our 10:30 quit so they may remain with us after the dance for our sit-down coffee and. Our club has a list of great callers again this year and all we need to make it all come together is you. Plan to be with us.

1 & 3 Saturdays — *J.M. Hill School*

Our last season closed with a terrific dinner dance. Fred Hill,president of the Northern New Jersey Square Dance Association was presented with a check for $100 representing 100 SOS buttons sold by Stan/Olga Tebbets. Thanks Stan and Olga. Ed/Charlotte Miller were named by President Hill to the Board of Directors of the N.N.J.S.D.A. as liaison between the Board and the callers association. Congratulations Ed and Charlotte...We have been extremely busy this summer with demos at Middle Smithfield School, St. Lukes Church, three at the Elderhostel at the E. Stroudsburg University, Blairstown Walnut Valley Church, Blue Valley Farm Show, two at the West End Fair, Blairstown Merchants Street Festival, Whitehaven Hospital, and the Stroud Mall. We received a lot of interest at these demos and hope for a large class at the Stroudsburg High in September. We also helped in the refreshment stand at the balloon race in Bloomsbury, NJ...We had a great picnic in July at Ed/Charlotte Miller's. It was good to see Joe DiCanio walking without his cane.

Our first dance will be in October. It's an ice cream social so bring your sweet tooth. All you ghosts and goblins be sure to show up for Halloween later in the month...We aim to be the friendliest people in the Poconos so as Manny Gordon on television would say come and ENJOY, ENJOY.

So you want to be a caller! Well, polish up your do-ce-does and contact Pal Johnson at 539-2107 after 6 pm to be scheduled for our amateur caller night the last Tuesday in January. All dancers are welcome

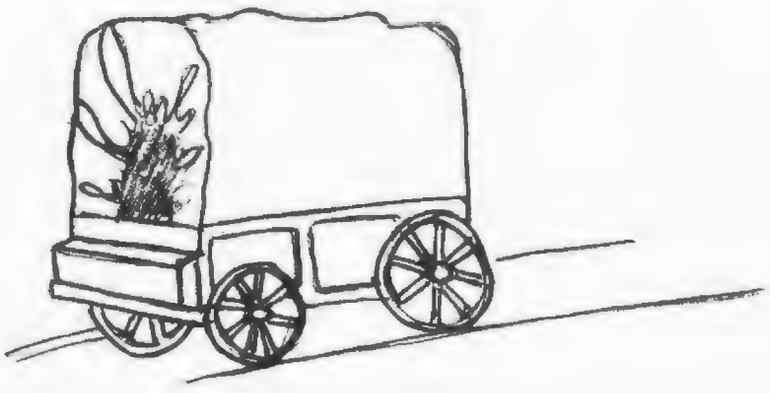

This spring, 38 students graduated from class to become club members. Half of them joined the group of 54 who attended the national convention in June...We enjoyed dancing through July and vacationing during August. We gave demonstrations at St. Francis Health Resort in Denville, and at Kings Supermarket in Morristown. Our annual picnic with Herb Conklin was the usual success. Our bus trip this year took us to Glassboro State College to dance to the Red Boot Boys, followed by a concert.

Best wishes to Frank Greenwood who has been transferred to Denver where he will be marrying Gail Darrah in October. Condolences to the Northrup and Bieszard families on their recent losses. Our special thoughts to Robbie Shapiro, Jerry Savage, Dale Mertz, Florrie Johnson, and their families...We look forward to a fantastic year of dancing mainstream every Tuesday. Y"all come to join us if you can.

In June before our last dance of the season, we had a covered dish supper which was just great. Afterwards, Peg and Joe Dockry called the rounds for the last time, as they will not be with us any longer. There has been a change in their schedule, and we will certainly miss them. In their place, we will have Al and Gale Spinks, and we know we will enjoy dancing with them too. Ted Knaus will be our S/D caller again this season. He's great! In July, our club had its annual picnic, and everyone had a wonderful time. Now we're looking forward to September, and dancing regularly. Come and join us when you can!

HIX & CHIX --- Elmwood Park, NJ (+)

every Thursday *VFW Hall off Market Street*

Another season, another reason - for squaring up! As fall is ushered in, we are looking back to a terrific summer. We welcomed visitors from all over to our air-conditioned hall, and danced to guest callers Paul Brody, Rusty McClean, and Ralph Stapenell as well as to our own Mike Foley and Dick Pasvolsky. The McLaughlins and the Shearwoods made R/Ding more than enjoyable, as always...Three squares from our club danced at the Annual Blueberry Festival at the Bergen Mall, Paramus, to Dick Pasvolsky's lively tunes. Hix and Chix was also well represented at the Statue of Liberty Dance in July. Our presidents, Bill/Virginia Boscia had a sumptuous picnic at their home for all outgoing and incoming officers. Bill and Virginia have graciously agreed to remain presidents for another year and to be our demo chairpersons as well. John Huettemann and Connie Ruschke have assented to remain as VP's We are happy to have Frank/Stasia Bremer act as Secretaries once again - this will be their third time around - and John/Chris Hartman as Treasurers. John/Mary Aquino will stay on as Advisors, and so will Tom/Ginny Barr as NNJSDA Delegates...We now look forward to our Open House the 2nd Thursday in September and to our Second Annual Special with Marshall Flippo in November. (See ad).

All of us at Hix and Chix would like to express how deeply saddened we are because of the untimely passing away of Lon Bieszard.

Come join us for a great fall season!

HI TAW TWIRLERS --- New Milford, NJ (+)

every Tuesday — Middle School, Roslyn Avenue

Summertime is nearly over, S/Ding time is here again. Even though we have not had any dancing during the summer months, our new executive committee, consisting of Jane/Jack Fischer, Pres.; Betty/Dan Wallendal, Vice Pres.; Audrey Holmberg/George Kuethmann Sec.; Sue Lamp/Joe McSherry, Treas.; have been busy planning our new S/D year.

In addition to our three regular callers, Hugh Jones, John Kaltenthaler, Bob Mitchell, who call second, third , and fourth Tuesdays respectively, we are scheduling an outstanding Guest Caller for the first and fifth Tuesday of any given month.

Hi Taws will keep dancing at a high plus level. Along with our excellent R/D cuers, Ed and Les Shearwood we're sure you'll have a very pleasurable evening. Come and visit us.

Word reached us in June that CAL MARTOIS has passed away. Long time dancers and club officers on Staten Island, Cal & Dot were a hard working couple and could always be counted on to help. Their retirement to TN left a big void the clubs are still trying to fill.

Then in July, a week after his birthday, LON BIESZARD quietly died in his sleep. Everybody knew Lon who was well on his way to earning his 4th Patron Dangle. He derived such pleasure from his dancing...and his fabulous collection of dangles! Not content to be just a member of 9 clubs, he was always willing to tackle a job. I personally will miss his weekly calls, his selling roses, Booster tags, delivering GRAND SQUARE, etc. Our deepest sympathies to both families. So many share in their loss.

There were several other International Dancing events this summer. Stan/Wanda Blanchard;Carl/Helen Ostertag;Frank/Olive Enos attended the NSDCampers Ass'n International Camporee in Des Moines, IA. They are still raving about the gorgeous campgrounds & in spite of the heat are ready to return! Next year its off to Pueblo, CO & Pikes Peak!

A number of R/Ders went down to Winston-Salem,NC mid July for the Universal RDCouncil annual R/D Convention. Besides learning new R/D, all had a chance to attend numerous workshops & clinics. Next year's will be in Ottawa,Canada - July 24,25,26,27 - Then a set from Kings Squares joined Burt/Sylvia Caplan & Doc/Peg Tirrell & 3538 others the at 4th Canadian National SDC in Winnipeg. A delightful, low key convention - all quickly mastered various accents and danced up a storm.For 2 days one entire section was set aside for the handicapped dancer and we personally treasure our time with Ed Murray,their caller, who so graciously shared much of his material & philosophy with us to disperse back here in the US. A biennial convention-next one is July 24,25,26 (1986) in Calgary,Alberta. See Tirrells for registration forms.

GARDEN STATE SQUARE DANCE CAMPERS

Can the camping season really be half over already? So far, it hasn't "rained on our parade". Our June and July campouts were clear, bright and HOT. Family Day in June was an exciting event with races and games for all, a covered dish supper and cooling off breaks in the pool. In July, we all went south to keep warm! Dancing was great, some of us went blueberry picking, and others floated downstream in canoes, tubes and sinking rafts. It was really a terrific campout. In the late evening, the campground opened up the pool just for us, so we could all cool off after the dancing ended. Imagine, swimming by moonlight and then our customary campfire, sing-a-long, and conviviality. *John/Grace Daigrepont (201) 391-1499*

2 & 4 Wednesdays — Lincoln School, Crane Street

Good fortune smiled upon us recently when many of our Club Members attended The Fifth Annual White Rose Festival in June in York, PA. The mild temperatures proved to be exceptional for dancing, and the many levels of dancing that were offered brought fun and enjoyment to all.

In response to the inquiry "How was Baltimore?", Club Members who attended replied with favorable comments. Those of us who went to "The Statue of Liberty Dance", at Liberty State Park in July, were amazed at what a beautiful place it was.

Our Club has installed new Officers for the 1984-85 season, and they are currently busy planning our activities, including: demos this summer, an Open House, and a new class featuring Dick Maddocks. Hope to see you all at our Open House, and when Caller, Gleason Crumling, from York, PA, visits with us in September.

COVERED BRIDGE SQUARES --- Nutley, NJ (+)

2 & 4 Fridays — Radcliffe School, Bloomfield Avenue

Well, another summer comes to a close but Covered Bridge members can look back on many happy family activities. We had our annual picnic - a bus ride to West Point for a scrumptuous brunch, followed by a dancing boat ride up the Hudson to Poughkeepsie - after three rain dates, we participated at two ITT picnics and, on the Fourth of July performed at the Nutley Oval, (where we danced for almost an hour, filling in while the late arriving fireworks were readied) and the evening was rounded out to perfection by the invitation of Marge/Wally Cox to return to their yard to eat, drink, and make merry.

Special mention of course goes to busy beavers, Frank/Betty Olier, who were responsible for the fantastic Dance for Liberty where over $4,000 was cleared for the S.O.S. fund. (Don't forget the drive continues for two years until the statue is finished). We're happy to announce that our new graduates have been involved in all the above activities and are making us real proud.

So now we start the new season. We'll all miss Jules but certainly hope he is enjoying his retirement. He's a hard act to follow but we have lined up some callers for the next season that everyone should enjoy and have added round dancing to our program. (See our ad for details) We have plenty of parking room and we're easy to find - so come and join our happy family.

CLOVERLEAFS --- New Milford, NJ (+ DBD)

1st Friday — Middle School, Roslyn Avenue

Now that vacation is behind us (and what a rough time we all had at that!), we welcome all of you to a great year of S/Ding with CLOVERLEAFS in New Milford. Our new presidents, Bill/Louisette Nantz, have lots of special surprises in store for us this season; so come on out and join us - and if you are not too tired after the dance, join us for those "low cal" deserts which many of us sample in a nearby diner. Our dances on the first Friday of every month are PLUS except for the last tip which will be A-1 and will be called by some of the greatest callers in our area. As always, Doc/Peg Tirrell will cue the Rounds. Our first dance will be the first Friday in October with Rusty McLean at the mike.

In July we lost one of our longtime members and this year's raid chairman, Lon Bieszard. His cheerfulness and dedication to S/Ding will long be remembered.

Mary Ann/Joe Mastrangelo (201) 387-2060

We feel a great loss by the sudden death of Lon Bieszard. Square dancing meant so much to Lon. We will surely miss him and he will be remembered for his enthusiasm for square dancing, his participation in all square dancing activities, his love for earning special dangles/badges, his pride in wearing those special vests, and his always friendly greeting.

What an exciting summer it has been - to have so many new and experienced dancers come and enjoy our cool - comfortable dance at the Glen Rock Jewish Center. We welcome your continued attendance thru the coming year...Our June dinner-dance included installation of officers for 1984-85. We anticipate another great year under the excellent leadership of Ed/Dianne Mathews who accepted the presidency for a 2nd year! Other Officers are: 1st VP: Lloyd/Mary Geigel, 2nd VP: Fred/Joyce Bell, 3rd VP: Marian Wooding, Secy: Dorothy Fels, Treas: David/Ronda Lawyer & Andy/Gerry Musante, Delegates: Ken/Edna Franz.

The excitement continued as several club members attended the N&DC/ Baltimore and shared in the Parade of States(the green/white NJ costumes were outstanding!) We had over 5 squares marching/dancing in the Glen Rock July 4th Parade (our thanks to dancers from other clubs who joined us) and the Statue of Liberty Dance was an enjoyable experience!

Our Congratulations to Dave/Barbara(Powley) Marshall on their July Wedding! We look forward to having George Polk return to full time dancing after his knee surgery. We'll be part of Glen Rock's 90th Anniv. Festivities in Sept. Come and dance with us in our friendly squares!

BEE SHARPS OF SOMERVILLE --- Bridgewater, NJ (+)

1 & 3 Saturdays — Somerset County Vo Tech H/S

What a glorious summer for S/Ding! Bee Sharps ended their regular dance season with the Annual Dinner Dance. Highlighted was the installation of our new club officers. Serving as Pres. will be Janet/Bill Vierbuchen, 2nd VP Evelyn/Wip German, Secty. Cathy/Bill Clark, and Treas. Nancy/Roger Remington. We congratulate them and say Thank You to our outgoing officers, for a job well done...Our summer dances were held in Manville, in lovely air conditioning. Ralph Stapenell did the calling for squares and rounds were cued by Peg Dockry, Peg Tristram, and Roy Gotta. Lots of good dancing...Our new graduates are dancing up a storm. One couple Sara/Chuck Monroe are working on the Free Loaders Dangle. They travel from Somerville to Lyndhurst and Iselin to the Association Dances. It's nice to see such enthusiasm...A number of Bee Sharp dancers attended the Convention. They sure looked terrific in their State Outfits, in the Parade of States. There was good representation at the Statue of Liberty Dance too. The dance was a huge success with well over 100 squares in attendance. It sure was a summer to remember and now we look forward to a Fall Season of great dancing with all friends, so come on down and visit with us. See you in a SQUARE.

All About Something nice.....

"We stepped into a busy metropolis & slowed them down a little to watch. Baltimore was a delightful hostess from her pleasant & tolerant policemen to her helpful waitresses at her many interesting restaurants. A pleasant surprise greeted us at Fort Smallwood. We parked next to the Payapsco River. Swimming, showers, water, dump,station,food store & dancing were offered - so we had it all.

The dedication of the convention to "God & Country" was a thrill to those of us that are great Americans. We were invited to pray to God,but NOT ONCE were we invited to salute the "Grand Ole Flag". The dancing was well planned with something for everyone. The Round Dancing was at a level greatly appreciated by this couple that does not handle it as well as most. (A most interesting wooden floor,too) The halls were large & cool, but the acoustics in the Convention Center left much to be desired. The Civic Center was much better because of the speaker system. We would like to thank Baltimore & ask them to repeat it sometime in the future."

Frank/Olive Enos.

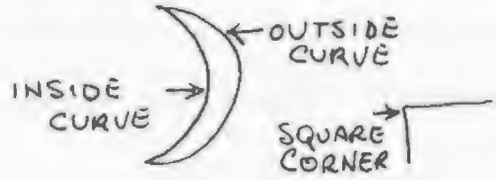

This issue The SQUARE PINCUSHION shows easy machine applique.....

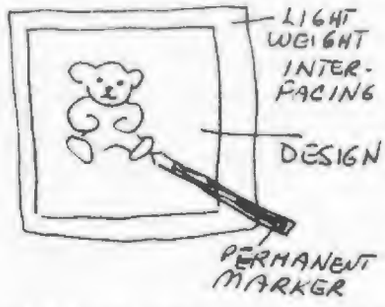

It's time to review some old skills-so let's look at some machine applique. If you're good at hand applique and have the time necessary to do this on a project of much yardage like a square dance dress or skirt,fine, but most of us have time that is at a premium and that is to whom I am speaking.

First become acquainted with your zigzag sewing machine. You will need to do a very close stitch so it looks like satin-stitch embroidery. On some scrap fabric,practice doing curves. Learn to pivot(with needle in fabric) on outside curves with the needle to the right and on inside curves pivot the needle on the left.This prevents gaps in the line of stitching. Also practice going around a square edge so you learn to make nice corners.

Now it's time to select your design & get to work. Look in children's coloring books,especially for younger children,those designs are simple & cute. It is wise to use a lightweight iron-on interfacing to give your design some stability. Now don't get upset at the mention of interfacing,the new things are simple.Here's how:

Place a piece of interfacing with the smooth side up(rough side down) over the design you wish to trace. Trace with a <u>permanent</u> fine marker or specially made wash-out pencil. Washout pencil lines wash out with water. After tracing,cut out design and iron on to fabric(wrong side of fabric),cool & cut out & place in position on your garment. If your design has many small parts such as facial features, apply these to the larger face background and applique the face as one piece. Select those items that are farhest in the background to be done first.It sounds like a lot of work but for something that will be an outstanding addition to your dance wardrobe and will be worn for many years,it's worth all the time it takes. Start with simpler designs(those with fewer pieces) & work up to the more complex. Be sure all the scraps you use as well as your base fabric have been prewashed. Appliques can be used on bodices,blouses,skirts and dresses,men's shirts,etc. This may be more work but it will save you some money & give you an individual outfit you will be proud to wear.

Happy sewing,

Rose Ericson

"Perhaps the time has come to consider putting the SQUARE PINCUSHION to rest. I have the feeling that my ideas are no longer suited to the current fashion. I'm a little old fashioned & was raised in an era where work was the by-word. Today's sewers want things easy, simple, & of course, cheap. Perhaps there is someone who would like to continue with a younger frame of mind.

I appreciated having had my say for these past 13 years. I hope others enjoyed my sharing as much as I did in writing it. Thanks for everything."

CALLERS' COUNCIL OF N.J.

Several weeks ago I was a caller at a benefit dance and it occurred to me that square dancers, callers, & round dance cuers give very generously of their time for good causes. The dance where I was had been organized to raise money for a sick caller who had many medical bills. As I looked at tge seven other callers and the two cuers, I thought of other occasions when square dancers, callers, and cuers contributed time and money. They dance at nursing homes & hospitals; every Christmas there are at least three Toys For Tots dances where toys are the admission price for the dancing and cuers & callers donate their skills. The square dancing world has also rallied to help save the Statue Of Liberty.

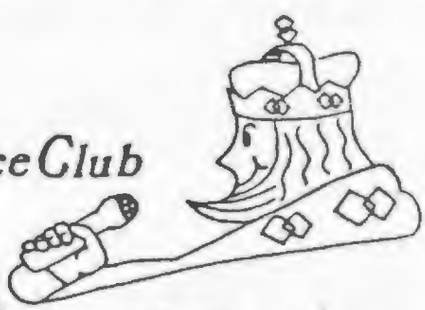

To the recent graduates a hearty welcome. Already your life has changed substantially. As president of the CCNJ I'd like to explain our goals. We are callers whose avowed purpose is to encourage and promote interest in modern western style square dancing and to increase the knowledge of and improve the techniques of its members.

BAYBERRY SCHOOL, BAYBERRY LANE
WATCHUNG, N.J.

The Baltimore Convention, with over 24,000 dancers, was all we hoped it would be, and already we are looking forward to Alabama in '85. And, the most outstanding event was the New Jersey turn-out for Parade of States, with our new outfits completely circling the arena at one time. We would like to take this opportunity to thank Alberta and Harry VanLuvender for their design and promotion of the green and white State dress, - we were all very proud to take part in helping to make it a success. We also were most proud of our area Round Dance leaders who helped with the program in Baltimore...and look forward to serving as Liaison. this fall 201-356-7631

The fall of 1984 will bring yet another LEGACY (The International Assembly of Trustees of the S/D Activity) Dancer SURVEY. The past surveys have stimulated a great deal of interest & by all indicators the up & coming edition will do even better. This survey can be one of the most helpful tools the leadership of our activity can have in hand. LEGACY feels the survey can give a good insight as to what the dancer is thinking and what they want. The information will be compiled and published in publications across the country.

NNJ's Leadership Seminar LUST is patterned after LEGACY's biennial meetings...its main purpose being to advise, inform & guide leaders & potential leaders in a manner that will assist them in performing duties and solving problems consistent with local conditions. Local LEGACY trustees include Bill/Donna Anderson;Frank/Helen Cavanaugh/John/Freddie Kaltenthaler; Johnny/Betty Pederson; & Doc/Peg Tirrell.

To enable dancers to better evaluate a R/D, ROUNDALAB The International Association of R/D Teachers, adopted a point system devised by Dave Fleck of OH. First introduced at the 26th NSDC in Atlantic City,NJ, the Fleck Rating, as it has come to be known, was carefully studied, evaluated & slightly modified before its formal acceptance by the ROUNDALAB membership.

By comparing dance rating numbers one can more readily recognize where a dance fits in the total R/D picture. The value & limitations of the system has been under study this past year & will be thoroughly discussed at the annual ROUNDALAB convention in October. Anyone who has comments on the system and/or the manner of evaluating R/S should direct their correspondence to the Jorritsmas at 13552 Redbird, Garden Grove,CA 92643. ROUNDALAB welcomes all suggestions and comments.

A new S/D year is upon us - it's time to reflect on the past - time to look forward to tons of fun and great S/D evenings in 84-85...We thank you much for the support you gave us last year. We are going to try to warrant this same support in the new season. Carl Hanks will again be our caller and Roy Gotta will be cueing the rounds. Peg Tristram will also return for her beginners round dance class. We have arranged for a special guest caller in September - the effervescent Joe Fioretti.

A new committee has been selected to coordinate the clubs activities. The retiring committee, the dancers that started the club, are due a tremendous round of thanks. Thank you Bob/Maggie Brown, Erwin/Dot Schoenewalds, Bud/Marie Foster, Harold/Marianne Breene, and Ted/Peg Tristram. What a great job you did!

With our summer schedule a memory, we think back to our two specials: our Ice Cream Social and our 2-fer with Bob Mitchell and Bill Wagner. Both were great successes. These together with our demonstrations at Ogdensburg Day and the Sussex County Fair kept us country folk hoppin. Thanks to all our summer visitors; it sure was nice to see you.

Autumn is beautiful in Sussex County. Why not come up to see us sometime?

F.A.B. SQUARES (Fun At Basics) --- Maywood, NJ (BASICS)
2 & 4 Sundays American Legion, E. Passaic Street

F.A.B. Squares celebrated its First Anniversary dance in April with all in attendance receiving an attractive silver and blue dangle. At our First Anniversary pot luck dinner in May, yummy dishes were contributed by all. The officers have agreed to continue their duties for the coming year. Bev/Pete Rodel are the reporters. Our caller, Dot Loewenstein was given an inscribed handmade ceramic plate in appreciation for being a fine person. In July, Stan Sikora of Clifton, called a tip at our dance. Dot Loewenstein and Pete/Bev Rodel spoke of high points at the convention. A "surprise dangle" was given during August. The air conditioning made the summer dancing very comfortable. We welcome graduates and experienced dancers. "EVERY INDIVIDUAL is appreciated and made to feel important."
